### THE JOHNSON SWELLER

Dear JUST 18: I am writing in because I am in love! Yes, it's true. I am in love with every single one of the little angels that is brazen enough to spread her slender legs wide apart on the pages of your magazine to allow me a peek at her most precious area. Some people might look down upon these gals for what they are doing, but I give them my deepest respect and most sincere thanks. If it weren't for them and their generosity with their nudity, I would be a very sad and lonely man. I never thought my heart would flower with love again, not after my ex. But after my very first copy of JUST 18 I realized that I was wrong because my heart swelled almost as big as my Johnson. Now I enjoy a private moment with one of the various JUST 18 angels just about every night. Thank you all so very much.—Alex in DE

### STIRRING THE HONEY POT

Dear J18: I will never get enough of looking at teen pussy, not even if I live to be 100. If I make it that long I will be one old-ass dirty man. All pussy is good pussy, but teenage pussy is the absolute best. It's so pink and fresh, and the wet on the inside tastes nice and clean, like morning dew. I love to pop a finger in there, stir it around a bit and then suck the sweet honey off and roll the flavor around on my tongue. After that I will put my mouth there and munch that ripe li'l pussy until my tongue gets tired.—Ronald from WV

### FAWNS IN AN ENCHANTED FOREST?

Dear J18: Blondes make the world go round. They are more fun for sure and they have soft downy hair all over their bodies like fawns in an enchanted forest. Although I find myself attracted to many of the young women you publish pictures of I must say that I only get off on the blondes. Like Caroline from last issue and Angela the issue before that. I jerked off to them so many times I rubbed my meat raw. Could you focus on featuring more blondes in the future? I can't possibly be the only one of your readers who feels this way. When I was younger many ladies dyed their hair blond because it was more desirable to have light hair than dark. That is not ideal for me because I prefer my blondes to be natural. But with the current trend of shaving off the pussy hair that is popular these days from what I can see it is harder than ever to tell whether a woman is a natural blonde or not. But I know deep down in my balls.—Jimmy in VA

## FIRE IN THE HOLE

Dear J18: Nothing gets me harder than seeing a chick shave her snatch hole. Might I suggest that as a topic for one of your photographers? Like a theme? I've noticed an awful lot of chickies in you mag tend to pose in bathrooms or in tubs and stuff like that so it wouldn't be too much of a stretch to put one of those pink Bic razors in their hand and tell them to have at it, now would it? Just be sure you get in real close when they are digging in there to get every last strand. I like super close-ups of the outer lips. I like when they are all puffy. Fat, hairless pussy lips are the best. —Ronnie in WY

## HOT AND LOOSE

Dear J18: All the babes in the recent issue made me bust a nut. There wasn't a single dog in the lot of 'em, I was much impressed. You always print so many photos of so many different girls and it's great but the best part is they are all hot and loose. It's unusual for me to find one that does not appeal to me except maybe the more exotic looking ones if you know what I mean. I am just not into that if you hear what I am saying. Not that I don't like to look. In fact I do like to look. Pussy is pussy is pussy, it's not like I am trying to coNversate with any of them. So ignore what I just wrote and bring on the poon in all colors. —Larry in TX

## DROPPING A LOAD

Dear J18: I am such a huge fan of your magazine I don't even have the words to express myself. I love it so much! My world would not be complete without it! Heck, I wouldn't be able to cum without it! You are providing a real necessary service to the world, I hope you all realize that. I wish I could drop a fat load on each and every one of the faces of the girls in JUST 18 to show just how much I appreciate them. I would drink pineapple juice for weeks beforehand so I'd be sure to taste nice and sweet. —Doug in CO

# SHAY

**N**o matter what I've got, I always want more. My friend once told me that means I'm insatiable and I was like, whatever, I'll take your word for it. I'm a fine-ass bitch and I deserve it all, is what I say! Like when I touch myself, for example.

Why would I be satisfied with only stretching my vajay-jay hole wide when I can untie my balloon knot as well? Anyways, I tend to cum the hardest when

I've got a lot going on down there so whenever I gear up to get myself off I always make sure I have enough toys on hand to do the trick. There's one for the front, one for the back and a third that can handle

both holes at the same time and it just so happens to be the one I like best. I can get my gash gushing and my bum twitching with a single double-sided dong! It's awesome. 

She's gonna  
double her  
pleasure  
with a two-  
headed dong!

18 JUST EIGHTEEN

**A** lot of people think I'm stuck up but I'm just sort of shy is all. I know that I have a beautiful body and other girls are jealous of me. I don't really mind, though, cuz boys sure like the way I look—I can feel them stare at me when they think I'm not paying attention. It makes me feel sexy to have men undress me in their minds all day long. So sexy that when I get home I peel my clothes off right away and play with myself. I like fingering my cunny as I imagine what it would be like to be had by dozens of strangers. I imagine rough hands squeezing my titties and pinching my nipples and big cocks thrust hard into my pussyhole. I can make myself cum multiple times when I fantasize like that. Sometimes I touch my clit so much it gets sore! **18**

# HORNDOG'S NOTEBOOK

By Joe the Ex-Paralegal

"Hi guys. Meet Joe, a mope who was maybe a little down about losing his job. Now watch sweet Kelsey put him in a much, much better mood!"

## A VERY NICE PACKAGE OF GIRL

I'd see her often when I came home, sitting on the landing outside her apartment door, usually in a tank top and shorts, her bare legs and feet stretched out on the carpet, talking on her iPhone, a script on the floor between her thighs. I wondered why she did this so much, sitting outside her own place. One afternoon she told me.

"Oh hi neighbor, do you mind if I come in your place for a little while?"

She'd never been in my pad before, and I doubted she even knew my name. Neighbors are like that in this big old town. Keep to themselves.

"Something wrong with your place?" I said.

"My boyfriend is wrong with it."

"Why don't you tell him that?"

"He went out. I just wanna talk. Is that okay?"

A girl half my age wanted to visit. I mean, it wasn't okay, because she had a guy and lived next door. But I wasn't going to be living here very much longer anyway. Lost my job and couldn't afford this crib anymore. Would very soon have to find a furnished room in a less pricey part of town. One of the upsides of the recession, if you can call it that, is that cheap rooms are available now. These places

catch the eye with nice big neon sights on the side streets: ROOMS FOR RENT.

"Sure, come in," I said.

She said her name was Kelsey. She looked about eighteen, maybe nineteen. Where did they come up with names like Kelsey around 1993? It sounded like a brand of toilet paper. When I was a kid—I'm thirty-six now—girls were named things like Jennifer or Amy or Heather.

I got her a Coke and tried not to look at those long bare legs. Girls talk too much about the creep factor these days, and as a dyed-in-the-wool lecher, I try to be cool when in the presence of boner-inducing eighteeners.

"So what's up? My name is Joe, by the way."

She sat on my couch and kept moving her legs around. She lit a cigarette and inhaled like a pro. "You see what he's like. Nick, I mean. You hear the way he talks to me. You can hear through these walls. Sometimes I can't study for my acting class. You'd think he was the one renting the apartment instead of me. Well, my parents rent it for me. So it's mine. Nick is just...well he's okay sometimes but...well you see me out there all the time, I gotta get away from him when he's in his moods...but I found out today he's cheating on me and...well we fought and he went out to see HER. The bitch. I can't take it. Why do men cheat? He says I look squirrely to him. What does that mean?"

She didn't look squirrely to me. I shook my head. "It doesn't mean anything, Kelsey. I don't plead the case for my fellow men in the instances of their stupidity."

"You sound legal, Joe. You a lawyer or something?" She dropped the cigarette in her Coke can, which she held between those bare thighs.

"Was working as a paralegal. Lost the gig."

"You'll find another one."

"Maybe not. I called the guy I worked for a dirty cocksucker."

"Is he gay? Did he get offended?"

"He's not gay, and he was offended. I spoke out of turn. Something pissed me off."

"You got a temper, huh Joe?" she laughed.

"I guess I like reading sci-fi better than working. Maybe I wanted unemployment for awhile."

"I can tell," she said, looking around at all the sci-fi on my shelves.

She stood up and started taking off her clothes. "Tell me if I'm squirrely," she said. "You gotta see it all to make up your mind."

I sat there drinking my Coke and watching her. Maybe this

was my way of calling her boyfriend a dirty cocksucker too. I could tell he was a prick every time I saw him around the building. I know it's not nice to use "cocksucker" like a slur in these politically correct times, but it just pops out of me sometimes.

Kelsey wasn't squirrely. She was pink and well-formed and a very nice package of girl. Obviously, with only shorts and a tank top on, she didn't have much stripping to do. The clothes were soon in a tidy little heap on the couch.

"So? Squirrely?"

"He doesn't know what he's talking about."

She stood there looking at me, waiting for me to do something, and maybe I did the wrong thing by not getting up and taking her in my arms right away. I'm not a bad looking guy so it's entirely possible that was a feasible plan to her, spending

some time in my arms. Instead I rubbed my crotch through my jeans and looked at her.

"Maybe we should start slow," I said. I'd rub till the bone was hard and I could slide it out of my zipper.

"You think I'm just as bad as he is for cheating, right?"

"Didn't say that."

"You sure it's not that I'm squirrely or anything?"

"Squirrels are not part of the equation, Kelsey."

"Are you hard yet?"

"Just about."

She turned around and showed me her ass. Then she bent over and showed me her asshole. Then she walked by me and I turned around and watched her lay down on my bed in the next room. She played with her pussy, so I took my dick out at last and got up and walked into the room to be with her. She smiled when she saw the wet little drop on the head of my prick. She ran her hands over her titties and down to her tummy, then slid a finger into her shaved pink groove.

"He made me feel squirrely, that was the problem," she said. "So maybe when I'm with him, I act that way."

I stood over her, stroking my prick. "We are different when we're with different people," I said.

"You don't want to call me a dirty cocksucker, do you, Joe?"

"Only if you want me to."

"I might give you a reason to," she said, laughing and getting up on her knees on the bed so she could grab me by the back of my butt and pull my cock into her throat.

I could see her face taking in my meat through the tumble of her hair. Slurping filled the bedroom, and the squeak of the mattress springs too. I closed my eyes for a moment and felt her fingers wandering over my balls and then taking them tightly in her hand. She sucked me pretty hard. I wondered if her parents knew she'd be doing things like this to her neighbor when they rented an apartment for their precious darling daughter in the big city so she could study to be an actress.

She popped my cock out of her lips and stood up and pressed her mouth against my face and whispered, "Do it to me now, I want to feel us together."

Wow. She'd seen me a thousand times in the hallway and hardly said a word, just sat there on the floor waiting out her boyfriend's moods, but now she wanted to feel us together. Well, I had no argument.

I watched as she stretched out on the bed and lifted up her legs, parting them so that her smooth knees caught the glimmer of light coming in through the window. I kicked off my shoes and pulled off my pants and nailed her right there on the bed. She was wet and soft but when she clamped her feet around my ass she was a snug little pocket. It didn't take me too long. For some crazy reason I wanted to empty myself in her, but reason prevailed and I pulled out just in time to squirt my sauce all over those sweet thighs.

"Wow, you were saving it up!"

"Waste not, want not."  
She laughed. "I think I like older men now."  
"You didn't before?"  
"I didn't screw any before." She pulled me down to her body and pressed my face against her nipples. "Suck my titties a little."  
"I'll suck your titties a lot."  
"And I want you to make me cum next."  
"Cum-ming right up!"  
"Just don't tell Nick. About any of this. He might not take it the right way. I just gotta figure a way to dump him."  
"Kelsey," I said, "this can be our secret as many times as you wish." And maybe once I moved to the furnished room in my future, I'd get her over once in awhile to brighten up the scenery! 

# ISABEL & DUPREE

30162

**N**ot too long ago my roomie Lola and I were both entertaining boys at the very same time. I was in my room with my boyfriend Dupree with the door shut and he kept trying to get me to do it with him. Usually I don't like to get it on unless I have the whole apartment to myself (the walls are thin!), but Dupree is just too cute. So I sucked his dick a while and then let him eat me out. He made me so wet with his tongue that I had to feel his cock inside me, so I begged him to stick it in. When he did I moaned pretty loud—I hope Lola and her bf Seb didn't hear! He humped me till I had an O and then I sucked him to completion. He popped real messy all over my face so I told him to go hang out in the living room while I showered. Dupree always gets me so sticky and sweaty. 

Look dude,  
he's slippin'  
the maiden  
the iron!

**I** guess I'm kind of a girly girl, I like looking pretty in frilly clothes. But I don't think it's a bad thing to make sure I look nice all the time...is it? None of my old boyfriends ever seemed to mind. I like to dress—and undress—to show off my hot body. I'm proud of looking good and making people want to fuck me. It's feels nice to be desired. I learned that you get treated better when people want you. For example, I get presents from guys all the time. Girls mostly just give me dirty looks, but that's because they know their boyfriend would rather put his dick in me than in them. I hear that I feel as good inside as I look on the outside. My tight little pussy is lined with velvet. And my bee stings may be tiny but they are extremely sensitive, just a tongue on my nips the right way can make me cum. I love being me!

# DAISY & GINDY

**M**y best bud Daze is a dilly of a dykelette, that girl eats pussy like she's starving! I've never felt as good as when she's munching my box...I have yet to meet a boy that can do it better. She's teaching me everything she knows and says I'm not so bad at it myself. It helps that her gynie is so pink and tasty. Seriously, her girl goo is delicious! She says the flavor of my vage is exceptional and she should know. Daze has had more than her fair share of box lunches. I love it when she kisses me deep on the mouth after sucking my snatch sticky. Then I can taste myself on her tongue and it gets me turned on all over again. The best part about banging a girl instead of a guy is that she's ready to go at it again right away whenever I am! 🍆

**LOLA**  
**SEBASTIAN**  
**& DUPREE**

Just the other day my bf Sebastian and I were kickin' it in the living room listening to my roommate Isabel get laid and getting hornier by the second. When her bf Dupree came out of her room and sat on the couch all nonchalant like I couldn't contain myself any longer and leaned over and started blowing Seb right in front of him! I could feel Dupree's eyes on me as I was bobbing away, and then I had a wicked thought...why not bang the both of them? Isabel was in the shower—I could hear the water running and I knew she'd be a while. So I got naked, waved Dupree over and the three of us got down. I straddled Dupree's fat cock (I finally knew what Isabel saw in him!) Seb's was all slick with my spit and slid straight up my ass. The two of them filled me up so good I came, and then I let the boys swap holes. I told them both to finish up quick before Izzy caught us, so they pulled out and shot their spunk all over my belly. Dupree's load was a little on the light side, I gotta say!

# OLIVIA

**T**his is probably going to make me sound like I'm a big slut or something, but reading makes me horny. There's something about the sound the paper makes when I turn the page, you know that soft rustling sound? Well it makes me think about bare skin rubbing against bare skin. Every single time I settle down with a book to relax—every single time—I end up tossing it aside in favor of friggin' myself. There's this one dildo I adore that I'm always sure to keep beside my bookshelf so it's in arm's reach whenever I need it most. I like to move around a lot when I masturbate—I'm not one of those "stay in one place while pumping the cooter" kinda girls. I bend my body into all sorts of positions as I pack my pussy full of pretend penis. I think I oughta join a book club! 

Olivia gets turned on at the turn of a page.

# ANITA

**I**n French class we learned that they call an orgasm "la petit mort," which means "little death." If you ask me that's a little crazy. I never feel more alive than when I'm cumming. Especially when I have an O outdoors—that's just the ultimate! Luckily I live in kind of a remote area so I can wander outside and masturbate up a storm any old time I want. I always make sure to bring a towel and a dildo with me if I go roaming so when I find a nice spot I can stop and stir the soup right there on the grass. It's electrifying to orgasm out in the open air when I can hear my moans echo in the hills around me. I slide my rubber cock in and out of my slop hole until my pussy is alive with pleasure! Then I close my eyes and lie still and let the breeze cool me down. **18**
